

Project: Create Plan

Description

Follow the steps below to complete this assignment.

1. Develop your plan for the project, as follows.
 - a. Copy and update the ***Project_Plan*** document based on the ***Project_Plan_Instructions***.
 - b. When you are done with this assignment, you should have:
 - i. Identified increments 4-7 that you will perform between now and the end of the semester.
Refer to the document titled ***Details on Increments 4-7*** for additional project requirements.
 - ii. Estimated the number of hours of effort you think it will take you to complete each increment.
2. Submit your project plan artifact (a `.docx` file) as your solution to this assignment.
